

DUSK TOWN

Only homes score, and only your own. Add them up at the end.

Distance is a square — "within 2" is the 5×5 block around a tile, diagonals included.
Your turn: take two tiles, or place two. At most one road per take turn.

HOUSE

2 citizens · starts at 0

+2 park within 2

+2 shop within 2

+2 has a job

+3 sports centre within 3

+3 school within 2

+3 hospital within 4

−3 industry within 2

−3 hospital within 1

never below 0

APARTMENT

4 citizens

double a house on that tile

0 unless a park AND a shop are directly next to it

INDUSTRIAL

6 jobs, any distance

house needs 2 · apartment 4

one factory covers 3 houses

−3 to your homes within 2

PARK

+2 to your homes within 2

SHOP

+2 to your homes within 2

SPORTS CENTRE

2x2 · one each

+3 to your homes within 3

SCHOOL

one each

+3 to your homes within 2

nothing if industry within 2 of it

HOSPITAL

one each

+3 to your homes within 4

−3 to your homes within 1

ROAD

no points

buildings must touch your road

where your roads meet, ends match
