

DUSK TOWN

PLAYER SCORING

Only your own tiles and citizens count

HOUSE

2 citizens

- 1 point base; never scores below 0
- +1 if a park is within 1
- +3 if the sports centre is within 3
- +3 inside an active school catchment
- -1 if outside every active school catchment
- -3 if industry is within 2

APARTMENT

4 citizens

- Scores double the House result on its tile
- Scores 0 unless a park AND shop are directly adjacent

HOUSE UPGRADE

3 citizens

- +2 residential points; one upgrade per house

SHOP DISTRICTS

edge-connected

- 1 / 2 / 3 / 4 shops score 0 / 2 / 7 / 12
- +5 for every shop after the fourth

EMPLOYMENT

6 jobs per factory

- Homes need jobs: house 2, upgraded house 3, apartment 4
- +1 point per 2 employed citizens

HOSPITAL

one per player

- 0 points below 10 citizens; 8 points at 10+

CIVIC REMINDERS

do not score directly

- School range is within 2; disabled by industry within 2
- School catchments never stack; sports centre occupies 2x2
- Distance is a square: diagonals count

RESIDENTIAL _____
